

Brigid's Hope

This 12-month program provides transitional housing, comprehensive case management and therapeutic services for women ages 35 and older who are formerly homeless and previously incarcerated.

Goal: reduce the number of women returning to the criminal justice system.

Mentors also assist in life-management skills, goal setting, conflict resolution and money management.

Mentor orientation and training sessions are available.

Ways to get involved:

- Teach classes, conduct workshops
- Arrange movie nights, other social outings
